

Cannabis for the Management of Symptoms of PTSD: Surveillance – December 2022

Objective and Search Period

To identify new eligible controlled clinical trials and observational studies with comparator groups examining the effects of cannabis on PTSD symptoms, we searched Ovid MEDLINE ALL, PsycINFO, Cochrane Database of Systematic Reviews (CDSR) CENTRAL, PTSDPubs, and clinicaltrials.gov for studies published from **April 2022 to December 2022**.

Surveillance Update

Our updated searches identified 124 unique citations. After review, we found no new studies that met our eligibility criteria. The next surveillance will be conducted in June 2023.
